Financial Report – shared by Grace – it was decided that there would be no Fall Fundraiser as there is still quite a bit of money in the account (we will decide later as far as a spring one) – there was a grant used for bussing to sporting events that reduced our cost last year and we have that same grant this year which will be used wherever it can be – purchase of a permanent rod for greenscreen was approved

Officer Elections – S. Huitema, Chair – A. Phillips, Vice-Chair – A. Tschudi and J. Hachler, Food Coordinators

Principals Report – everything up and running smoothly, enrollment is up to 127 with JK/SK class being the biggest with 27 children

Safe and Healthy Schools – last year we had the help of the health unit but not this year – Renita is hoping to move to having a parent, with one or two student reps from grade three up representing their class at one meeting per month that will be held during lunch hour for the Safe & healthy Schools committee with teacher and principal

Unfinished Business – update on library – most furniture is in, waiting on wood work to be done, hoping Christmas Break all will get finished – naturalization project is a go ahead for the Friday, we will see where this leaves us and look at it again in the spring if we need to do more – guitar lessons are a go for the week of September 19th, 5 kids are interested right now

Other Business – 2019/2020 Fundraising options are on hold and will revisit in the new Year, community lunch instead?!?...closer to Christmas – BBQ set for the 19th, hamburgers, hotdogs, watermelon, juice and water in coolers with recyclable cups, popcorn and Gift Baskets will be done again but each kid will be given tickets this year, no purchase necessary, teachers will decide themes and get info out to parents – Amanada and Jess will look into and discuss hot lunch items and schedule, looking for more parents to help with the lunches that are run by CSAC – Spiritwear, looking at doing an order every other year, looking for new supplier, suggestions are welcome, will revisit in spring so that samples can be at the Open House in September 2020 – Ball inventory will be done as some are quite worn out as well as some plastic snow shovels are needed and the idea of keeping certain costumes on hand for the Christmas concert with Halloween coming up

Next Meeting set for October 28th, 2019 at 7:00pm (note: time change)
